

Dear Supporter,

On May 13th 2017, we are hosting the 4th Annual Fighter Jhett Classic, Charity Golf Outing at The Links Golf Club in Jhett's hometown, New Palestine Indiana. All proceeds from the event will fund critical research for Prader-Willi Syndrome (PWS), a rare, non-inherited genetic disorder that Jhett and his friends are born with.

Prader-Willi syndrome (PWS) is a genetic disorder that occurs in approximately one out of every 12,000 births. Children with PWS suffer from feeding difficulties in infancy, delayed speech and physical milestones, short stature, scoliosis, sleep disturbances, behavioral challenges and cognitive delays. The defining symptom of PWS however, is hyperphagia, or, an insatiable appetite. *Children with PWS feel hungry all the time, regardless of how much they eat.* They also suffer from a slow metabolism and must keep on a very strict diet to avoid life threatening weight gain. *Without continuous supervision, our children are constantly at risk for overeating to the point of stomach rupture.*

Currently there are few treatments and no cure for Prader-Willi Syndrome.

As parents of a remarkable and inspiring child with PWS, we decided to be as proactive as possible in helping to fund research for this challenging disorder. We know that through medical research, we can help to eliminate the many hurdles that our child, and so many others, face on a daily basis.

Your participation is critical to our success and we would be thrilled if you would consider becoming a sponsor of our event. With sponsorship, you will gain marketing exposure for yourself or your business and have the potential to reach countless others based on your sponsorship level. Enclosed you will find accompanying documents, which list the various benefits based on the different sponsorship levels.

Thank you in advance for helping to make the 4th Annual Fighter Jhett Classic, Charity Golf Outing a success and ensuring that Jhett, and all of those living with Prader-Willi Syndrome, will one day be able to live life FULL.

Sincerely,

Jen and Jarrod Lee
Parents to Jhett, 3 ½ year old with Prader-Willi Syndrome

The Foundation for Prader-Willi Research is recognized as a 501(c)(3) organization by the Internal Revenue Service (ID # 31-1763110).
